

the new *force* in laser therapy

lightforce™

# LightForce™ EX Therapy Laser

with Influence™ Technology and the Empower™ Delivery System

## EXpert Design

The LightForce™ EX therapy laser by LiteCure® Medical is designed to help you achieve more consistent positive outcomes for your most difficult clinical conditions. The LightForce™ EX therapy laser is the perfect combination of power, intelligence and versatility.

get your patients back in *action*

## Influence™ Technology

*maximizing outcomes*

Delivery of the optimal therapeutic dose to the damaged tissue is the key to effective results.

Muscle tone, size and pigmentation significantly affect the penetration of all therapy lasers.

Influence™ technology provides patient specific protocols based on individual characteristics. Personalize your treatments with Influence™ and achieve consistent results.

# LightForce™ Power

*feel the difference*

Featuring up to 15W of therapeutic power, the LightForce™ EX therapy laser facilitates fast and efficient treatments deep in targeted tissues. Experience the soothing warmth and powerful benefits of the LightForce™ EX therapy laser.

## **EMPOWER** Delivery System™

*the advantage is yours*

Empower DS™ provides the versatility you need to treat your toughest cases. Four available treatment heads, the patented laser-massage ball and the toughest fiber available make the LightForce™ advantage yours.
