DURABILITY

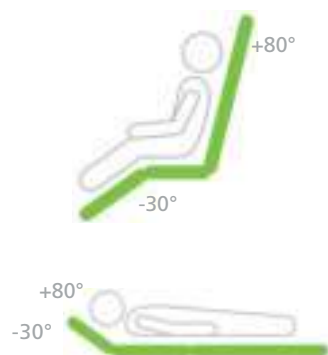

BEST VALUE
FOR THE MONEY

The Signature 3S table was designed to provide optimal patient comfort and a hassle-free environment for the professional. It is suitable for multiple treatment-types and can be adjusted for the position required. A lasting investment; designed by us, for you!

A variety of positions

FREEDOM OF MOVEMENT FOR THE PROFESSIONAL

- Empty space under the table enabling close proximity to the patient
- Treatment can take place sitting or lying flat

PATIENT COMFORT

- Soft cushions promoting well-being
- Padded edges to eliminate pressure points

PROVIDING CARE COMFORTABLY!

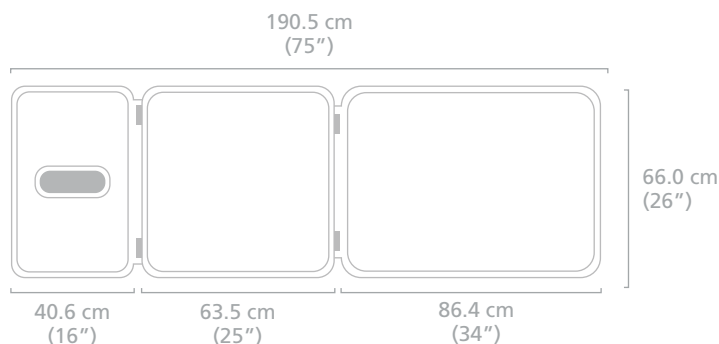

ERGONOMIC DESIGN

- Superior stability thanks to the smart *Signature Stability Profile (SSP)* system
- Sturdy, well-balanced platform
- Improved weight and manual force distribution

VERSATILE TREATMENTS

- Three adjustable sections
- Height can be adjusted by simply pressing a pedal that is accessible from any point around the table, thereby allowing continuous treatment

EASY TO MAINTAIN

- Cushions are made from an antibacterial, fire-resistant and easy-to-clean covering
- Top-quality, durable materials
- Modern, refined and professional style

Upholstery color

CARBON

NAVY BLUE
